Great Commission

**Mark 12:38-44:** The widow's offering, though it was considered by many to be next to nothing, was precious in the sight of God because it was given sacrificially with confidence that God would provide for her needs. Our witness to the Good News of Jesus is also precious to God! All that we do and give because we are the children of God, though it may seem insignificant to people of this world, is precious to God.
